Deletion and Deactivation >

Deletion and Deactivation

Deactivation or Deleting your WorkWise Account

If you want to temporarily close your account, you can deactivate it. If you want to permanently remove your data from WorkWise, you can delete your Account.

Deactivate Account

- Your Profile and Gigs won't be shown on WorkWise and Active orders will be cancelled.

Delete Account

- Deleting your Account is permanent and irreversible. You won't be able to retrieve files or information from your orders on WorkWise.

Continue

What happens when you delete your account?

The deletion process is permanent and cannot be reversed. It might take up to 30 days to complete the process.

Any usernames associated with this account cannot be reused on new accounts in the future.

We recommend reviewing your orders and messages before you request it so that you can retrieve any files and information you might need in the future

Delete Account

Deactivate Account

What happens when you deactivate your account?

Your profile won't be shown on WorkWise anymore Active orders will be cancelled, not including delivered orders.

Any usernames and email addresses associated with this account cannot be reused on new accounts in the future.

Closing your account doesn't automatically remove the information on the account. Feedback comments, messages, and public pictures remain.
